All,  
I would like to make a very simple suggestion.

When the inevitable hordes of cars come up LedgeWood Drive and try to stop at "dirt Mulholland" (the tiny, 6-house dead end street that is right under the Hollywood sign), can the officers PLEASE redirect the traffic to the Griffith Park Observatory? Invariably, I see the officers push the cars along to the vista, which is a chronic disaster. The cars do not belong there, either.

Our neighborhood is NOT a sanctioned viewing site for the sign. It is NOT an official entrance to Griffith Park. We all know that our tiny, winding, substandard streets were NEVER intended for this unprecedented traffic.

The ONLY official, sanctioned viewing sites for the sign are the Griffith Park Observatory, and Hollywood & Highland. Please see for yourself:

The Hollywood Chamber of Commerce also refers people to the Hollywoodsign.org website:

Small pieces of paper with the Griffith Park Observatory address can be handed out to cars, so that they can turn around and go to the proper viewing site, and our neighborhood can be SAFE.

The address is:

**2841 E. Observatory Road  
Los Angeles, CA 90027**

Thank you.
